"To be the Best Catholic Primary School that we can be."

We hope that you have had a great break over the holidays. We look forward to another exciting term with lots of great learning experiences planned. As a staff we are very appreciative of the enormous support and positive encouragement we get from our parent community. We had a beautiful powhiri on Monday to welcome our new families and students to our school community.

Over the holiday period the much loved fort was made safe and the artificial turf area was completed with "hop ons". We hope to have the new playground and turf fully installed over the next couple of months. We have been very fortunate to have received a \$20,000 grant from First Sovereign for artificial turf. This generous donation has significantly added to our community raised funds. We have one final push for our "playground fundraiser" with our up-coming mini gala on 27th May so we can complete phase one of this project. An email was sent out yesterday to all parents with a flyer attached, regarding this. Special thanks to the parent team who are organising this event for us.

Parish Gift Discernment Workshop

“What you are is a gift from God, but what you become is your gift to God.” (St Augustine of Hippo)

Gift discernment is a helpful process for those who would like to be involved in their church but may not know what they have to offer, or comprehend their giftedness.

“As each one has received a gift, use it to serve one another as good stewards of God’s varied grace.” (1 Peter 4:10).

Do you know what your gifts are? Would you like to explore this concept of giftedness, and discern where your giftedness lies?

Your parish leadership teams invite you to join them from 2-5.00pm on Saturday 5th May in Connolly Hall for a Gift Discernment Workshop run by Lorraine McArthur from the Archdiocesan Offices. Please register your interest to Frank Doherty f.doherty@wn.catholic.org.nz

What gets you up in the morning? What gives you joy and a sense of fulfilment? Could be you are acting out of your giftedness? Join us at the Gift Discernment workshop to explore your areas of giftedness and how you are called to offer and share them in love with your family, your church, and your community. Please register for the workshop on 5 May, 2-5pm at Connolly Hall with Frank Doherty f.doherty@wn.catholic.org.nz

Fr James

Welcome back to a brand-new Term! I have something new myself – a newly improved eye! During your holiday I had a cornea graft. The surgery replaces a diseased part of the eye to allow clearer vision, but it requires a donor. Someone has been generous enough to agree that, after their death, this part of their body is given to assist the health of another person. I am now the beneficiary of such a gift and I am very grateful.

That the procedure happened during the Easter season boosted my appreciation of dying and rising, and of the huge difference between darkness and light. The cloudiness over my left eye lifted slowly as the new cornea took hold. The light increased, I could see more clearly. Joy and thanksgiving dominated my feelings. The gift of life is a gift from God. That gift is blessed and nurtured through our love and support of one another. I know better now what that means.
