

Permission Form

This form gives your permission for your child to participate in general school and class trips/performances being paid for from the \$60.00/\$65.00 trips and performances levy. You are notified of all school class trips via the Wednesday newsletter and you still have the right to withdraw your child/ren if you wish.

Every care is taken when arranging trips and parent/children ratios are appropriate to venues and activities.

✂=====

Please return both forms to your classroom teacher.
